Dear Mr. Farook,

"We make a living by what we get. We make a life by what we give." These words of Winston Churchill perfectly reflect your noble mission of educating aspiring and underprivileged students. Through PILOT, many students have been given a new ray of hope and encouragement to work hard, remain self-motivated, and succeed in their academic pursuits. The personal interaction with students has created a strong sense of family bonding among the students, staff, and the entire PILOT community.

Since August 2020, my association with PILOT has always been marked by admiration and respect. The Annual Scholarship and Awards Programs conducted every year in the month of September is truly inspiring. The commitment and dedication of the PILOT members, especially your efforts in travelling all the way from the USA to participate in the programs, is remarkable and deeply appreciated.

In 2020, PILOT conducted its programs virtually and supported students and staff with scholarships and awards amounting to Rs. 82,000. Since then, after the COVID pandemic, the programs has returned to normal functioning. For the academic year 2025-2026, PILOT has supported a total of 56 students. By my rough calculation, PILOT has supported more than 200 students with an outlay exceeding Rs. 40 lakhs.

In addition, PILOT introduced awards such as a new laptop for the toppers and cash awards for the faculty and staff. Since 2022, PILOT has also been supporting six students in pursuing their degree programs at various universities.

The encouragement extended to both students and staff is truly incredible. The time, effort, and financial support invested in this programme are greatly needed and uniquely exceptional. In all my years of priestly ministry, I have rarely witnessed such a selfless organization working wholeheartedly for the upliftment of the poor without any expectations in return.

I remain deeply grateful for the mission, vision, and goals of PILOT. May God continue to bless you and the entire PILOT family abundantly.

With deep appreciation and best wishes

Yours sincerely,

Fr. Anthony Pravin Rajan,
Manager and Correspondent,
St. Teresa's Educational Institution KGF
